### Alfa Laval wins SEK 60 million offshore order

**Alfa Laval – a world leader in heat transfer, centrifugal separation and fluid handling – has won an order to supply Framo pumping systems to an oil platform in the North Sea. The order has a value of approximately SEK 60 million. It is booked in the Pumping Systems unit of the Marine Division, with deliveries scheduled for 2018.**

The order comprises offshore pumping systems, which will supply water to the onboard fire extinguishing system.

“I am very pleased to announce this large order for our Framo pumping systems. Their proven capacity and reliability makes them highly suitable for the tough conditions offshore,” says Peter Leifland, President of the Marine Division.
